

ARE YOU AT RISK OF LOSING PATIENTS AND REVENUE?

Market Shifts in Consumer Payment Preference

According to an *FIS PACE 2020 Survey, **31%** of respondents plan to use **contactless payments** or **mobile wallets** instead of cash following COVID-19.

Among worldwide consumers, nearly **80%** have changed how they pay in order to reduce contact and are **rewarding businesses that take COVID-19 seriously**.†

Integrate Seamlessly
with your practice management system to help your office

Improve Efficiency

Increase Productivity

Grow Revenue

DENTRIXENTERPRISE Pay

from Henry Schein One is a payment processing solution that

Integrates with your existing Dentrix Enterprise software

Automatically posts all payments
to your Dentrix Enterprise Ledger

Accepts most popular payment types
including credit/debit, EMV (chip), magnetic stripe and contactless payments such as Google Pay and Apple Pay

Simplifies the payment process
for your patients and your front office

Eliminates double entry
and potential errors

Offers a single point of contact
for both practice management and payment solution.

BUILD PATIENT LOYALTY
